Annual Venison Stew Program On October 4th

Committee is Busy Getting Ready for Big Event

Initial plans for the annual free buck stew ,sponsored by the Truckee Outdoor Sportsmen, were made at a meeting of the directors of that organization last week.

The big affair, highlighting the season for all sportsmen, will be held at Capitol Hall Sunday, October 4, at 2 p.m., Charles Osburn, club president, announced.

Osburn said that Johnny and Julia Ciardella will be in charge of preparing the feast as in the past, guaranteeing a savory repast for everyone wishing to attend. There will be no charge for the feed and as usual a large assortment of prizes, topped by a high-powered rifle, will be presented. These awards, with the exception of the gun, are being donated by local merchants who are cooperating with the club to make the affair an outstanding success.

Mrs. Charles Osburn and Mrs. Byron Miller are in charge of securing the gifts.

Osburn said that more than 400 pounds of venison would go into the stew, assuring ample for as many as 1,000 expected to participate.

Final plans for the affair will be made at a meeting of the directors to be held at Capitol Hall Friday night, September 25.

GAIN RECORDED IN ENROLLMENT IN SCHOOLS HERE

The four elementary schools and the high school of Tahoe-Truckee Unified School District opened for the fall term Tuesday, September 8, with a total enrollment of 623; of these 213 were registered in the high school. The enrollment of high school during the first week last year was 224. The enrollment of the elementary school last year was 370 compared to 410 this year.

Following is the comparison between the elementary schools and the high school for the past three years:

	1951	1952	1953
High School ..	203	224	213
Elementary ..	369	360	410
Totals	572	584	623

REPORT REVEALS VALUES AT LOCAL HOSPITAL PLANT

A full report by the auditing firm of Thompson, Dechow, Garcia and Reich of Oakland, on the financial condition of the Tahoe Forest Hospital for the past year will be found elsewhere in the Sierra Sun today.

Total assets of the district-owned hospital were listed at $426,765.54, which included $17,221.47 for land and improvements, exclusive of the building and equipment. Since half the land owned by the district, a portion 400 by 300 feet, was donated by R. Joseph, in memory of his late son, Lt. Lavon Joseph, killed in the Pacific theater during World War II, it was pointed out that the sum of $17,221.47 for land and improvements is based on inventory and not on the purchase price.

Another section of land, the same size and adjoining the hospital property to the south, was purchased from Joseph for $3,000. This is held for additional structures or future use.

The report reflects an urgent need for the hospital, shows that the net revenue was $86,513.81, of which $16,758.10 came from taxes, $100 from donations and the balance from charges.

Operating expenses, including over $11,000 for depreciation, $12,237.34 for administrative and office expense and $32,841.43 for medical services and other salaries, amounted to $112,988.81.

The report is self-explanatory and should be given careful scrutiny, C. R. Heller, president of the board of directors, said.

FORMER RESIDENT

Mr. and Mrs. Charles Lindskog of Bellflower, Calif., visited Mr. and Mrs. O. T. Schumacher and other local friends. Lindskog was employed as a carpenter here until his departure for the south 20 years ago. Mrs. Schumacher left today for a visit to Paradise.

CAR DAMAGED

D. Roper, Boise, Idaho, was cited for leaving his truck parked without the brakes being set after the vehicle rammed a new Hudson owned by Robert Rose of Truckee on the main street here Wednesday. No one was injured.

IT'S WISE TO ADVERTISE!

Magic Carpet To Sugar Bowl Will Soon Be Opened

NORDEN— Assurance that the new Magic Carpet will be in operation from Highway 40 near here to Sugar Bowl Lodge by Thanksgiving was given this week by Walter Haug, Sugar Bowl manager.

Work on the $250,000 tram has been in progress for a year and now only finishing touches are required to put the big transport in mile overland tram will carry 12 cabins, each with seating room for operation. The new three-quarter six. Traveling at a speed of approximately 10 minutes for a round trip, it will provide a capacity of 600 per hour.

At some places between the highway and the Sugar Bowl, the cabins will be suspended 60 feet over the ground, but on heavy cables, supported by steel towers, all danger will be eliminated and an enjoyable ride will be provided.

The tram is being erected by the Herron Engineering Company of Denver for the Magic Carpet Corporation. Jergen and Charles Vind, local contractors, and the Herrington Construction Company of Auburn are doing most of the construction work, building garages and sheds for the cable cabins and preparing for a major operation when the carpet starts hauling passengers.

Haug said that beside the Magic Carpet, a number of other improvements are being made at the popular winter resort and he is looking forward to a record winter so far as winter sports enthusiasts are concerned. The tram is expected to attract numerous sight seers, photographers and vacationists even before the lodge is officially opened for the winter months.

LOCALS WALLOP NEVADA TEAM IN SOFTBALL GAME

A return softball game in Reno in the near future will give the Reno Arch Lions an opportunity to revenge themselves for the 25 to 12 defeat they suffered at the hands of the Truckee Lions here Sunday.

The 35 hits collected by the locals were evenly divided. Comprising the local aggregation were Roy Waters, Howard Newsham, Bob Seibold, James Brehler, Lew Baysinger, Tony Pace, Bill Englehart, Angelo Besio and Jay Richards. Everett O'Rourke and Charles Heller umpired.

Following the game a family-type picnic at the west end of Donner Lake was enjoyed.

P.T.A. TO HONOR TEACHERS HERE

The executive board of the Truckee Parents and Teachers Association will be hosts at a reception honoring the teachers at the elementary school Monday evening. The meeting will be held at 8 o'clock and a large turnout of members is anticipated.

HELLARS INVITE ALL TO STATION

Mr. and Mrs. Ed Hellar are extending an invitation to everyone to attend the formal opening of their new Union Service Station one mile west of Truckee on Highway 40 tomorrow evening at 7 o'clock. There will be gifts for everyone visiting the station, with free gardenias for the ladies.

WINSTON FETED AT HOME DINNER

The birthday of Rev. Sidney C. Winston, pastor of the Methodist Church, was observed at a dinner given at the parsonage September 4. A large birthday cake highlighted the presentation of gifts.

Attending were Mr. and Mrs. Daven Morey and family, Mr. and Mrs. Robert Hackett, Mr. and Mrs. Douglas Barrett and family, Mr. and Mrs. William Frey and Miss JoAnn Allen.

Seibold Building—

Robert Seibold has erected the frame of the house he is building at Gateway Park.

August Wrecks Result In Nine Highway Deaths

Nine of Year's Ten Deaths On Road Reported In Month

The death of John LaRue, 46, Colfax fruit company employee, last Thursday brought to nine the number of deaths attributed to automobile accidents in this immediate area during the month of August.

LaRue was a passenger in the car driven by Eddie Mullens, 35, Eureka, which plunged 125 feet off Donner Grade August 30, bringing instant death to Mrs. Margie Reinhardt Thompson, 42, Auburn, and causing fatal injuries also to Mrs. Josephine Walters, 45, Coachella.

Five others in the vehicle, including three service men from Utah, escaped without serious injuries.

Officers of the California Highway Patrol were continuing their investigation this week to determine the cause of the accident and it was indicated that a charge may be placed against Mullens.

The Truckee Colonial Mortuary took charge of the body of LaRue and shipped it to Sacramento from where it went to San Diego for funeral services.

Ironically, the nine deaths caused by cars during the month of August was the highest figure ever recorded in one month in this area and brought the total to ten for the entire year to date, only one fatality being recorded in the other seven months.

Another unusual circumstance was the fact that in all fatal accidents between Rainbow and the Nevada state line, not a single truck was involved and in all the accidents resulting in death, speed —either voluntary or accidently— was "credited" as the cause.

Driver Cited

James Edward Osten, Truckee, was cited for driving without due caution and not having his vehicle under control, and Troy Grady, also of Truckee, was issued a ticket for being on the wrong side of the road following a headon collision at Commercial Row and Spring Street in Truckee Friday evening. No one was injured. Patrolman Carroll Maynard made the investigation.

Car Off Road

Ruth Arnold Miller and Richard Miller, both of Pasadena, were injured, the latter suffering a broken leg, as the result of a crash Friday afternoon four miles east of Tahoe City. Both were taken to the Tahoe Forest Hospital for treatment.

Patrolman T. F. Sheehan cited Mrs. Miller for being on the wrong side of the highway and not having her car under control after the vehicle overturned after leaving the highway.

Minor Hurts

Sture Hemmings and Vita Hemmings, both of San Francisco, were treated for minor injuries and the former was cited for making an illegal pass near Cramptons Monday as the result of a sideswipe with a truck which caused the Hemmings car to leave the road and be wrecked. Patrolman William Gautsche investigated.

The truck driver, Donald Pringle of Minnesota, was not hurt.

COLLISION

No one was hurt when a truck driven by Roy Evans, Grass Valley, and a car operated by Tom Borneman, Truckee, collided four miles west of Truckee Wednesday evening.

Home from Oregon—

Mrs. Darryl McGihon and children, Diane and Gene, returned on Monday from a visit to Cave Junction, Oregon.

Visit Risdens—

Mr. and Mrs. Leonard Curlett and children of Los Angeles were guests of the Gene Risden family here last week.

Fair Enough—

Mr. and Mrs. James Walker and son Terry and Mr. and Mrs. Wm. Curran were State Fair visitors to Sacramento last weekend.

Sun Beams

by WALTER BARRETT

The board of supervisors when advised of the desire of Truckee residents to restore and not demolish the old Rocking Stone tower, an historic landmark, immediately turned attention to liability involved in event the tower collapses while children are playing in or near it. This, of course, is a wise precaution but it does not by any stretch of the imagination dissolve the danger. The local chamber of commerce has asked that the tower be made safe until funds can be provided to restore it to a place of proper prominence and a desirable tourist attraction. This is a small thing to expect and we sincerely hope that the board will take some definite action before winter storms make the task impossible and adds greater danger from collapse of the tower. That the people of Truckee are seeking something desirable and rather important is reflected in stories and editorials from a variety of newspapers in surrounding cities and towns endorsing the chamber's stand and urging restoration of the tower.

A subject which we believe should be given more than passing thought is that of providing a safer crossing over the railroad tracks on Bridge Street. Not being familiar with safety devices, we hesitate to offer a solution to this growing menace but it is not out of place to again issue a warning to everyone using the crossing to take every precaution. Seldom a day passes that a tragic accident is not in the making, as a car or truck speeds across the unattended crossing right in the path of an oncoming locomotive. A stop, look and listen policy should certainly be adopted until the crossing can somehow be made safer.

TEACHERS SLATED TO ADDRESS CLUB IN LOCAL MEET

Wyethia Club members will take a "Trip Through Europe" in color sildes and story with Portia Wagonet and Ruth Melvical September 18 at the social meeting of the club at 8 p.m. in the club house.

The Misses Wagonet and Melvical are teachers in an Oakland high school as well as prominent California artists. Miss Wagonet is a photographer and Miss Melvical will narrate their trip and unusual experiences. They have just recently published a book on this European trip..

Miss Wagonet is known here, residing in the summer at her cabin at Soda Springs. She has been an entrant in all of the art shows held here and is well known for her mountain scenes.

Last Friday club members enjoyed an art exhibit and discussion by Robert Briggs of Tahoe City and a very interesting trip with Mrs. Ray McCarty through Mexico. Briggs exhibited his paintings, including some sketches he made while in the Pacific theater of World War II.

MAIN SPEAKER AT LIONS MEET

Fred Main, president of the Lake Tahoe-Sierra Chamber of Commerce, spoke before the Truckee Lions Club here last night on the forthcoming Gold Cup Regatta scheduled at Tahoe this weekend. W. A. Watrous of Los Angeles and Robert Gifford of Lindsay, former Truckee man, visited the club.

C. R. Heller presided and Earl Stice was program chairman.

FIRE STARTER IS FINED IN COURT

J. R. Richards was fined $50 by Judge Fosten Wilson in the Truckee court Tuesday on a charge of burning without a permit. The charge was placed against the Donner Lake resident by officials of the U.S. Forest Service after a fire in a pile of old tires he was burning threatened to get out of control.

Football Squad Preparing For Opening Game

Two Teams Turn Out At Local School For Practice

The Tahoe-Truckee High School varsity football team is preparing for the first league game to be played at Gardnerville against the Douglas High varsity on September 18 at 8 p.m.

Coaches Jim Brehler and Con Briner have lined up a tentative starting lineup from the 26 boys who have turned out for football with the first team. In addition, Coach Gordon Butterfield is putting the junior varsity string of 15 boys through their paces, giving assurance that the local school will be well represented in the coming season.

Probable starters announced this week for the initial bout are Jay Stuart at quarter; Dick Mandeville, full; Jerry Quam and Hugh Van Hooser, halfbacks; Clyde Mandeville and Bill McLain, ends; Wayne Germain and Dave Germain, guards, and Roger Holbrook at center.

Others comprising the first team include Bob Sanford, Lewis Fellows, Tom Dolley, Calvin Gandy, Bill Wright, Mike Soltau, Bill Barr, Clayton Spining, Erwin Single, Bill Tort, Jack Van Hooser, Easton Buehler, Joe Crawford and Don Stark.

The fifteen boys out for JV are Chet Petrocchi, Darryl Stark, Tom Sheehan, Jim Vahey, Frank Giovannoni, Chuck Addelotte, Bob Trask, Don Sites, Chester Chaney, Carroll Ballard, Elbert Bergmans, Tom Simpson, Ken Lavery, Mayton Record and Ken Graham.

VANDALS STEAL GRAVESTONE AT LOCAL CEMETERY

Constable N. F. Dolley would like to get his hands on the vandals who invaded the Truckee cemetery last Thursday night, carried off a small tombstone and discarded it on the main street.

The stone was removed from the grave of a child and the desecration was undoubtedly the work of local youths who missed by a long mark their idea to do something smart.

"This sort of mischief is far from being clever or amusing," Dolley declared. "Any prescribed punishment for acts of vandalism of this kind would be too little for the culprits."

HOBART NATIVE DIES IN CAPITAL

Services were held Tuesday for Perry (Deb) Pope, 54, a Sacramento resident 47 years and a native of Hobart Mills.

Burial was in the Veterans Affiliated Council Plot in the city cemetery.

Pope died last Thursday in a capital city hospital. His father, Perry Hope Sr., had a blacksmith shop in Sacramento years ago.

The younger Pope was a tile setter in Sacramento for the past 26 years.

Surviving are his wife, Pansy Irene; mother, Berdina; sister, Mrs. Lillian Pratt; brother, Joseph Pope, and stepson, Jack Nissen. They all reside in Sacramento.

SCIENCE LECTURE SUNDAY AT 3 P.M.

A free lecture on "The Joyous Way of Love" will be presented by Arch Bailey of Sacramento, member of the Board of Lectureship of The Mother Church, the First Church of Christ, Scientist, in Boston, Mass., at the Christian Science Church in Portola Sunday, September 13 at 3 p.m. A group from Truckee is planning to attend and everyone is welcome.

BUY HOUSE

Mr. and Mrs. Glenn Lee have bought the house previously owned by Mrs. Oscar Beach here. The new owners plan to move in the latter part of September.

Holiday Travel Sets New Mark On Highway 40

The 13,564 cars checked west through the Truckee quarantine station during the Labor Day weekend set a new all-time record for holiday travel, Daven Morey, inspector at the station, disclosed.

While Friday, with 2044, and Saturday, with 2727, were not outstanding, Sunday saw 4024 cars pass west through the station and a record for any single day was set Monday when the score went to 4769.

The count for the four days did not include locals or Lake Tahoe cars nor trucks and buses, and if counted these may have nearly doubled the count.

CIARDELLA HURT IN AUTO MISHAP ON RENO STREET

Humbert (Johnnie) Ciardella of Truckee suffered painful, if not serious injuries, last night when he was involved in a pedestrian-automobile accident at Second and Lake Streets in Reno.

The driver of the car, William F. Ducker of Reno, and another witness said Ciardella walked into the side of the car.

The well-known local man, owner of Capitol Cafe, was taken to the Washoe Hospital for treatment of a fractured lower jaw and possible chest injuries.

SPORTSMEN MEET TO FORM LOCAL HUNTING GROUP

A group of local sportsmen, designating themselves as the Beacon Hill Gun Club, will meet at Capitol Hall Tuesday evening at 7:30 o'clock for the purpose of completing their organization. Members of the Truckee 20-30 Club form the nucleous of the club but an invitation is extended to everyone interested to attend the meeting and join if they so desire.

C. A. Tollefson has offered his property in the Beacon Hill area as an exclusive deer hunting range and the land will be posted by the club. Members will be privileged to hunt there for a minimum membership fee. This fee is designed to cover necessary expenses in posting the area.

Only local hunters are eligible to join.

Chet Burns is currently heading the organizational committee and extended an invitation to everyone to attend Tuesday's meeting.

PAYMENT AGENCIES FOR LAKE 'PHONES

Two payment agencies for the payment of Tahoe City and Brockway telephone bills will become effective September 15, according to an announcement made today by H. J. Newsham, manager for Pacific Telephone.

Brockway customers can pay their bills in person at the North Shore Hardware and Supply Company at Kings Beach, while Tahoe City customers can pay their bills at Jay's Tahoe Drug at Tahoe City.

OFFICIAL VISIT TO LOCAL LODGE

Donner Council No. 13, Pythian Sunshine Girls, will be honored on September 16 by the official visit of Mildred Kleckner of San Leandro, grand royal advisor for the Sunshine Girls of California.

Sharon Pace, royal princess, will preside and the refreshment committee will be headed by Ireda Harris and Arlene Copeland.

The grand temple session will be held in Reno on September 17 and 18 and Pearl Heller, royal advisor for the local council, and Mrs. Kleckner plan to attend.

BABY BORN TO TAHOE FAMILY

Randal David Catalone, seven pounds, five and a half ounces, was born at the Tahoe Forest Hospital at 5:45 a.m. Thursday, September 3, to Mr. and Mrs. John Catalone of Kings Beach. Dr. Jose Nissem was the attending physician.

Gold Cup Races To Be Feature This Weekend

Fast Boats and Big Crowd Expected at Lake on Weekend

TAHOE CITY— The 2⅞ miles course for the first annual Sky-High Lake Tahoe Gold Cup boat races, to be run Saturday and Sunday, September 12 and 13, has been set by a licensed surveyor, the flagged buoys are in place and the Chales Mapes perpetual trophy, valued at $5,000, is on display in Tahoe City.

The Gold Cup trophy will be presented to the winner on the evening of September 13 in the Indian room at Cal-Neva Lodge. The races will be run in waters off the Tahoe City Commons throughout the two days.

Fred Main, president of Lake Tahoe-Sierra Chamber of Commerce which sponsors the event, said Tuesday, "Everything is ready and we are just marking time, awaiting the arrival of American Power Boat Association officials who will OK the course and time the try-outs on Friday to determine how many of the 75 limited hydroplanes are eligible to enter the Gold Cup events."

He said the officials probably will require a minimum speed of 80 miles per hour to qualify in the big race.

The 75 drivers of the limited class in nine divisions will be running for points, three place trophies and $3150 in cash prizes. That competition is expected to be keen in the Gold Cup event is seen in the fact that two of the drivers have stepped up the horse power of their motors. Stanley Dollar Jr. has had mechanics working on his "Short Snort" to increase the speed and Bill Stead has changed engines in his "Hurricane IV," increasing the horsepower from 1500 to 1750.

Henry J. Kaiser is in with his 3000 horsepower "Hot Metal", but it is the opinion of some of the mechanics that the big motor may be too heavy and the greater horsepower over others entered may not prove too great an advantage.

Main, who has seen Gold Cup races in Seattle and Detroit, said it is not necessarily the speed of a boat that makes a winner but rather speed combined with skill in negotiating the turns on the course.

This will be the first major race for Kaiser's "Hot Metal" and the new "Hurricane V" entered by Morland Visel, southern California and Nevada sportsman who recently sold his "Hurricane IV" to Bill Stead of Reno. (ejv)

WARNING ISSUED ON OLD ICE BOX

Officials have again issued a warning that it is against law to abandon ice boxes or refrigerators in California without removing the doors. The intent of the law is to prevent children from locking themselves in and suffocating.

Attention here has been called to a box of this type which has been left near the baseball park, the ownership being in doubt. However, it is urged that the person or persons responsible take steps to place the box in safe keeping.

Officers agree that they wish to avoid a tragedy similar to those which snuffed out the lives of 11 children in two days recently in the east.

DENTIST OFFICE CLOSED TUESDAY

The dental offices of Dr. Oliver Scow will be closed Tuesday, September 15 as he expects to attend an orthodonic study group at Oakland. The group, which meets each month, is designed to learn methods in advanced dentistry.

THUMB CRUSHED IN ACCIDENT

Bert Benion, 42, employed by the California Truckways at Richmond, seriously injured his right thumb early yesterday morning when his hand was caught in equipment on a car transport truck which he was helping load at Gateway. The thumb was badly crushed and he was taken to the Tahoe Forest Hospital where Dr. George Hahn treated the injury.

BUDGET FIXED FOR BOY SCOUTS

Directors of the Tahoe Area Council, Boy Scouts of America, of which Truckee and Lake Tahoe are a part, have adopted a budget of $21,395 for the fiscal year 1953-54. Placer, Nevada and Sierra counties are in the council.

JOE, YOU'VE LUGGED YOUR NEW CAMERA ALL OVER THE COUNTRY THIS SUMMER

I'VE BEEN LOOKIN' FOR UNUSUAL SUBJECTS, TUFFIE.

TAHOE FOOD SALE PLAN OF WOMEN ON SEPTEMBER 19

TAHOE CITY— A luncheon and business meeting of the Women's Club of Tahoe was held at Bacchi's Inn last Thursday with 15 members and four guests present. Guests were Mrs. C. H. Ray, who has a home on the Truckee River; Mrs. Tom Roff of Ada, Okla., both of the former sisters of the late Mrs. Ruth Gowing; Mrs. Fred Werner, Newcastle, and Mrs. Jack Starratt, Tahoe City.

Mrs. M. Webb, state chairman of the California Federation of Women's Clubs, gave an interesting talk on "Women of the Bible."

A food sale will be held at The Village Store in Tahoe City Saturday, September 19, from 10 a.m. until 5 p.m. Mrs. G. W. Mortimer of Tahoe Park will be in charge of this sale.

The members of the Womens' Club of Tahoe and Tahoe City's Rotary Club will be the sponsors of a "hospitality house" in the Community Center building over the Tahoe City post office Saturday and Sunday, September 12 and 13, during the Sky High Gold Cup boat races. Information on any subject pertaining to the region will be given to the public. Coffee and tea will be served those who wish to rest and first aid will be administered to any requiring it.

SCHEDULE SHIFT FOR CHURCH HERE, AND KING SBEACH

Preaching services will continue as usual through next Sunday, September 13, at 9:30 with church school at 10:40 a.m. in the Truckee Community Methodist Church. A new schedule will begin September 20 to continue for at least three months. Preaching will follow church school at 11 a.m. to noon. On that date, evening services will be held at Kings Beach.

The following Sunday, September 27, preaching services will be conducted at Kings Beach at 11 a.m. and at Truckee in the evening at 7:30 o'clock. Thus, each congregation will be served every Sunday while alternating in the 11 a.m. and 7:30 p.m. services.

This schedule will permit the pastor, Rev. Sidney Winston, to be in the church school at one church each Sunday.

The first national Thanksgiving Day was November 26, 1789.

RANKING OFFICERS OF STATE AT MEET ON TAHOE SHORE

SACRAMENTO —(C.N.S.)— Supervisors of California's counties will run the gamut of subjects with an immediate interest to the public at their convention being held at Bal Bijou on the southern shore of Lake Tahoe this weekend, September 9 through 12.

With a record attendance in sight, Wm. R. MacDougall, general manager of the County Supervisors Association, sponsoring organization, has prepared for a host of state officials to speak during the sessions.

Governors Earl Warren of California and Charles H. Russell of Nevada will be Friday night guests of honor at a dinner.

Wednesday was devoted to registrations and social affairs.

Thursday speakers slated include Lt. Gov. Goodwin Knight, Attorney General Edmund Brown, Highway Patrol Commissioner B. R. Caldwell; Richard Graves, execuitve head of the California league of cities; Senator Randolph Collier, chairman of the senate highway committee.

Friday's speakers will include Paul R. Leake, member of the state board of equalization; State Controller Robert C. Kirkwood, U.S. Senator Thomas H. Kuchel. Saturday speakers will be Senator Ben Hulse, chairman of the senate finance committee, and Assemblyman Frank Lanterman, chairman of the assembly welfare committee.

Legislators also on the proggram are Assemblymen Earl Stanley and Francis Lindsay, chairmen of committees dealing with local problems, scheduled to talk on local government and water problems respectively.

UNTIL FURTHER NOTICE

OUR DINING ROOM WILL BE

OPEN EVERY NIGHT

EXCEPT WEDNESDAY

SARGE'S

Sarge and Rosita Truckee, Calif.

7C RANCH EUER VALLEY

Recent guests at the 7C Ranch in Euer Valley were Mr. and Mrs. L. A. Patton and son, Tim, of Alameda. The Pattons first visited the ranch 12 years ago on their honey moon and this was their first visit since that time.

Alice Sorensen of Tahoe Vista was over to see us again and brought Dr. and Mrs. Burnel Stark and children and Polly Call, all of Piedmont, with her. They fished Frog Lake and later in the day Dr. Stark and the children enjoyed a horseback ride.

Lt. Ed Broeker of Folsom prison spent a few days at the ranch visiting with his wife, Helen, and Mrs. Carl Brown of Folsom.

Mrs. Thelma King and son Tony of Mill Valley spent several days at the ranch. Mrs. King was home on leave from Tokyo, Japan, where she has a civilian job with the government.

Betty Oxenford of Kingvale Park brought her mother, Mrs. Hazel G. Oxenford of San Francisco and Betty's brother, Jack, over to visit the ranch.

Guests over the Labor Day weekend and guests who came into the valley to enjoy the barbecue Sunday were John and Sue Beckett, Oakland; Mr. and Mrs. A. M. Smith and son Alan, Stockton; Edwin Mayall, Stockton; Elizabeth Kilburn, Oakland; Bob and Estelle Johnson, Oakland; Ray and Helen Ehlers, Crystal Bay; Bob and Pearl Moore, Kings Beach; R. A. Bostedt, Visalia; Don and Olivia Thomson, Woodland; Mr. and Mrs. Perry Dunahoo, Biggs; Mr. and Mrs. Theo Bronner, Biggs; Mr. and Mrs. E. E. Boehm, Truckee; Mr. and Mrs. Les Burnett and daughter Cherrill, Folsom; Miss Mary McDonald, Folsom; Mary Zunino, Truckee; Roy and Florence Waters and son Gary, Truckee; Elsie Jensen, Truckee; W. K. Graham, San Francisco; Kenneth Graham, Truckee; Ed and Ginger Jones and son Duke, Sacramento; Petie and Elfie Luhrs, Piedmont; Mr. and Mrs. Dunham, Piedmont; Grace and Willard Dolbee, Los Angeles; Pat and Carl Brown, Folsom.

SIERRA SUN ADS PAY!

MARATHON SWIM RECALLS FORMER TAHOE ATTEMPTS

TAHOE CITY— William Long, professional endurance swimmer from San Fernando, apparently suffered no ill effects after his 12-hour swim from Meeks Bay to Cave Rock.

The motor boat of Harvey Gross of Stateline paced the swimmer and, as he reached his destination, Gross helped him from the water. Long's first request was for "plenty of blankets."

Only a small group of people witnessed the start and finish of the big event. Long was the first man on record to successfully make the swim.

Long has conquered southern California lakes, such as Arrowhead and Bear,, and has made a number of remarkable records around Catalina, where he trains. He is also reported to have trained to swim the English Channel but the opportunity for that has not yet presented itself.

The late Mrs. Myrtle Huddleston, former swimming instructor at Tahoe Tavern, made the swim successfully in August, 1931, but because her accompanying boat lost her during the night, she was in the water much longer than necessary — almost 23 hours — and was near exhaustion when she reached her destination at Tahoe Tavern pier. She reportely received the sum of $1500 for the swim, with which she helped finance her son's education. She passed away some years ago in San Francisco.

In August, 1935, Clay Sherman, powerful young Oakland swimmer who towered some 6 feet 4 inches, started from Cave Rock at midnight and was within sight of the Tavern pier when he was hauled from the chill waters with severe cramps. Had he been started in daylight, he likely could have made the shore-to-shore crossing successfully. (es)

SCOTTISH MISS ROTARY SPEAKER

TAHOE CITY— The Tahoe City Rotary Club members who met in Tahoe Inn on Tuesday heard Miss Marnie Miller of Reno speak on the value of exchanging students to better international relations. Miss Miller came from Scotland on the plan and spoke of her native land and the hospitality of the people.

One Rotarian from Missouri and 13 other visiting Rotarians were among those hearing the talk. Denis SaSch was chairman of the program and Howard Guth presided at the business session. (ejv)

REPORT COLLISION AT CRYSTAL BAY

CRYSTAL BAY— Two motorists escaped injury Sunday when their cars collided head-on on a little used road near Crystal Bay.

Officers said the cars collided at slow speed when they rounded a blind corner. Drivers of the vehicles were named as David S. Morgan of Berkeley and Evelyn M. Levitt of San Francisco.

SAND AND GRAVEL DEPOSITS FOUND NEAR DEER PARK

TAHOE CITY— While excavating for a pipe line on the hill side across the Truckee River from his Deer Park Lodge north of Tahoe City, G. D. Waters uncovered what he terms a huge store of high quality sand and gravel.

The owner ran a 30-foot test hole on the property and said that to that that depth at least the sand was clean and of excellent quality. He would not estimate the probable total in the large area uncovered.

He is opening the pit and has installed a loader and will operate it as a commericial venture, either loading buyers' trucks at the pit or delivering.

IT'S WISE TO ADVERTISE!

MASSES' SCHEDULE FOR TRUCKEE AND TAHOE IS OUTLINED

Father P. J. O'Neill announces the Catholic Mass Schedule for the balance of the season in the Tahoe and Truckee area is as follows:

Truckee, Assumption Church, 8:30 a.m.

Tahoe City: Corpus Christi Church, 8 and 11 a.m.

Kings Beach: Our Lady of the Lake Church, 8 and 11:30 a.m.

Confessions on Saturday evening 7:30 to 8:30 at Truckee, before all Masses Sunday and when requested.

Daily Mass at Truckee, 8 a.m.

Telephone Truckee 132.

CARNELIAN BAY REZONE HEARING SET FOR SEPT. 21

CARNELIAN BAY— The board of supervisors of Placer County will hold a public hearing September 21 to consider a petition for rezoning and reclassifying certain property at Carnelian Bay on Lake Tahoe from residential to commercial.

The hearing will be held at the supervisors' room in the court house in Auburn, beginning at 10:30 a.m. The petitioners are Charles and Betty Rich. The property involved is all of Lot 1 in Block D and a portion of Lot 2.

At the hearing, all persons in favor of granting said petition and all those opposed to it will be heard.

NEW TELESCOPE

A 120-inch telescope is now under construction at Lick Observatory on Mount Hamilton in Santa Clara County.

TWO STATES NEAR RECIPROCITY PACT ON TAHOE FISHING

SACRAMENTO— The California and Nevada fish and game commissions are near accord in a reciprocal fishing agreement covering regulations for Lake Tahoe.

The respective departments have issued "memorandums of understanding" which would permit fishing anywhere in Lake Tahoe and Lake Topaz with only a single license required instead of separate ones from each state.

Much confusion has resulted from the fact that fishermen with California licenses cannot fish in the Nevada waters of the lake and vice versus. The approval of the memorandum would clear up the situation and would eliminate the somewhat cloudy "line of demarcation."

William Harp, assistant to the California commission, announced the memorandum is being studied as to its legality by Ralph Scott of San Francisco, deputy attorney general.

If and when the memorandum is approved the California commission has authorized William J. Silva, president, and Seth Gordon, director, to sign it.

California and Nevada for many years have attempted to reach an agreement on the fishing laws governing Lake Tahoe, with scant success.

Fishermen in both states and visitors welcome the news that the respective commissions are ready to enter into the reciprocal pact.

CHAPEL OFFERING SUNDAY ADDS TO AMBULANCE FUND

TAHOE CITY— Sunday marked the closing services at the Episcopal Chapel of the Pines near Tahoe City until next summer season. Bishop Noel Porter estimated 300 persons attended. His sermon theme for the day was "The Divine Gardener" and vocal selections weer by Marsden Argall, noted east bay tenor, who wife, an accomplished musician, accompanied him on the organ.

Bishop Porter last Sunday announced the entire offering would be donated to the Tahoe City Emergency Ambulance Fund, with which to replace the out-moded vehicle now in use. Sunday the congregation produced $257 which, with the amount now on hand with Jay Shontz, chairman for the the collection campaign on behalf of the Tahoe City Volunteer Fire Department, brought the total to $487. Much more is needed and donations by check will be appreciated if sent to Shontz or Fire Chief Al Henry Jr., both of Tahoe City. (es)

EXHAUSTED MAN COMPLETS SWIM ACROSS TAHOE

TAHOE CITY— William Long, 33, long distance swimmer who had planned to swim across Lake Tahoe on Labor Day, advanced the date because of threatening weather conditions and made the swim on Friday, September 4.

The swimmer started at 11:15 a.m. Friday from the Meeks Bay beach and finished near Cave Rock at 11:20 p.m., making the estimated 14 mile crossing in 12 hours and five minutes. The distance swum was estimated by his escorts, indicating he meandered off course somewhat, since the distance between the two points is between nine and ten miles.

It proved a trying ordeal for the southern California. His legs were reported in a state of near-exhaustion before the swim ended and he had to crawl out of the water when the swim ended. He was carried to car from the lake's edge and taken to the Pease Cave Rock Lodge immediately after landing.

Arthur Pease, proprietor of the lodge, escorted Long throughout his marathon swim in a boat furnished by Jack Lyons of Cave Rock vicinity.

The swimmer's sponsors included George's Gateway Club, the Wagon Wheel, Casino de Paris, Stuart Photo, Arthur Pease and Jack Lyons, all of Cave Rock area, and the Tahoe Boat Company.

The swimmer, who is a resident of San Fernando, is reported to have intimated before this swim, that, if he made it successfully across the lake at this time, he might consider returning here next summer to tackle the "Big Water" lengthwise, from end to end. However, nothing more has been heard concerning any repetition of the swim. (ejv)

Tonini Guest—

A guest at the home of the R. B. Toninis in Tahoe City is Mrs. Tonini's niece, Mrs. Harry Kirkpatrick of Pasadena, who flew to Reno on Friday and will remain until the first of next week. (es)

At Kings Beach—

Miss Marilyn Baker has returned to Kings Beach to teach school, after vacationing at Oakdale.

MEEKS BAY MAY FORM DISTRICT FOR FIRE PROTECTION

MEEKS BAY— A meeting of Meeks Bay property owners in El Dorado County was held at Meeks Bay resort last week to determine the attitude of the residents toward establishment of a new fire protection district for that area.

Indications point to wholehearted sanction of the project. Application will now be made to the county supervisors for permission to establish the district. A petition will be prepared for signatures and presentation to the board. The meeting was termed a success by its sponsors. (es)

WHITE SPRUCE

The white spruce frequently reaches a height of 150 feet with a diameter as great as four feet.

Here are the facts why Crystal gives you

WE RESERVE THE RIGHT TO LIMIT QUANTITY

The West's 6,000,000th telephone was installed last week in the home of Master Sergeant (USMC) and Mrs. Lionel P. Williams.

WEST'S 6,000,000th TELEPHONE GOES TO WORK

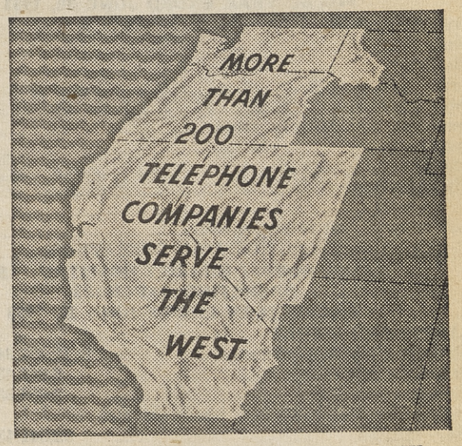
Interstate Telegraph Company installs milestone instrument in Barstow, Calif.

A veteran of Korea and his wife are making calls this week over the West's 6,000,000th telephone. It was installed September 2nd by the Interstate Telegraph Company (an affiliate of the California Electric Power Company) which provides telephone service in Barstow and the surrounding territory. The Williams' telephone brings the total in the West to almost double what it was at the end of World War II — a remarkable growth record made possible by the combined efforts of more than 200 telephone companies.

Telephone business is a community business

The telephone business is essentially a local business. Ninety percent of all telephone calls are local calls. And in the hundreds of communities served by the West's telephone companies, local people — your friends and neighbors — provide your telephone service, working constantly to furnish good service at low cost.

YOUR TELEPHONE IS ONE OF TODAY'S BEST BARGAINS



It may surprise you to know that the West is served by more than 200 different telephone companies and the U. S. by over 5,200 companies. And the teamwork among them makes it possible for any telephone in the West to be connected with any of the 49,000,000 telephones in America. Surely one important reason for the West's sound growth is the cooperation among the telephone companies which serve it.

Pacific Telephone

THOMPSON, DECHOW, GARCIA & REICH
CERTIFIED PUBLIC ACCOUNTANTS
Financial Center Building
Oakland 12, California

August 14, 1953

To The Board of Directors,
Tahoe Forest District Hospital:

We have examined the balance sheet of TAHOE FOREST DISTRICT HOSPITAL (a political subdivision of the State of California) as of June 30, 1953, and the related statement of revenue, expenses and deficit for the year then ended. Our examination was made in accordance with generally accepted auditing standards, and accordingly included such tests of the accounting records and such other auditing procedures as we considered necessary in the circumstances.

During the year under review only the cash receipts, disbursement, and revenue records, together with memorandum postings of accounts receivable, were maintained by the District. As a result, we found it necessary to prepare a number of adjusting journal entries, and to post all entries for the entire year to the general ledger. The various classifications of income and expense were assigned by us. Auditors are generally considered to be freer to exercise independent judgment if they review the records of others rather than prepare the records being audited themselves.

The auditing procedures employed by us were intended to bring to light all material differences in the accounting records. However, the absence of an effective system of internal control during part of the period under review precluded us from concluding that all financial transactions were entered in the accounts of the hospital.

In our opinion, subject to the exception due to the lack of internal control, the accompanying balance sheet and statement of revenue, expenses and deficit present fairly the financial position of Tahoe Forest District Hospital at June 30, 1953, and the results of its operations for the year then ended, in conformity with generally accepted accounting principles.

TAHOE FOREST DISTRICT HOSPITAL
NOTES TO FINANCIAL STATEMENTS
JUNE 30, 1953

NOTE 1: During 1949 the Tahoe Forest District Hospital issued $150,000 of bonds with interest rates of 2¼% to 2¾%. Bonds totaling $10,000 will become due and payable on December 15, 1954, and similar amounts will become due and payable each year thereafter until December 15, 1968.

Interest expense of $3,875 for the year ended June 30, 1953 was paid by the Treasurer of Nevada County and charged to the Tahoe Forest District Hospital Bond Interest and Redemption Fund.

The balance in the Bond Interest and Redemption Fund at June 30, 1953, $4,606, is not reflected in the financial statement.

NOTE 2: Revenue from general taxes is stated on a cash basis. General taxes collected by Nevada and Placer Counties for the account of Tahoe Forest District Hospital are deposited with the Treasurer of Nevada County and disbursed periodically to the Hospital. The balance in the Maintenance Fund at June 30, 1953, $146, is not reflected in the financial statement.

NOTICE

IS HEREBY GIVEN that there has been heretofore filed a petition for the inclusion within the Truckee Fire District certain real property contiguous thereto, and that Wednesday the 16th day of September, 1953 at 2:00 o'clock P.M., in the chambers of the Board of Supervisors in the Court House, Nevada City, California has been fixed as the time and place for hearing the said petition and determining whether or not it is for the best interest of the District, and said contiguous property, that the same be included in said district. Any person interested may appear at said time and place and be heard.

Said real property herein referred to is described as follows:

Starting at a point common to the center line of section 14, T17, NR 16 E. and the Placer-Nevada County line; thence northerly 7920 feet, more or less, along the center line common to Sections 14 and 11 to the center corner of Section 11, T17 N R 16E; thence westerly 15,840 feet, more or less, along the center line line common to Sections 11, 10, 9 and 8, to the center corner of Section 8, T17, N. R. 16 E.; thence southerly 7920 feet more or less along the center line common to Sections 8 and 17, T17 N. R. 16 E. to a point common to the center line of Section 17 and the Placer-Nevada County line; thence easterly along the Placer-Nevada County line a distance of 15,840 feet more or less to the point of beginning.

The territory described is contiguous to the Truckee Fire District.

and the owners of the property in said areas are as follows:

C O P Y

IN THE SUPERIOR COURT OF THE STATE OF CALIFORNIA, IN AND FOR THE COUNTY OF NEVADA No. 10502

Rose Harrigan, Plaintiff,
-vs-
J. L. Hallaran, also known as J. L. Hallran, and ALSO All Persons Unknown, claiming any right, title estate, lien or interest in the real property described in the complaint adverse to plaintiff's ownership, or any cloud upon plaintiff's title thereto, Defendants.

SUMMONS

The People of the State of California Send Greetings To:

J. L. Hallaran, also known as J. L. Hallran, and ALSO ALL Persons Unknown, claiming any right, title, estate, lien or interest in the real property described in the complaint adverse to plaintiff's ownership, or any cloud upon plaintiff's title thereto, Defendants.

You and each of you are hereby directed to appear and answer the complaint in an action entitled as above, brought against you in the Superior Court of the State of California, in and for the County of Nevada, within ten days after the service on you of this summons, if served within this County, or within thirty days if served elsewhere.

And you are hereby notified that unless you appear and answer as above required, the said plaintiff will take judgment for any money or damages demanded in the complaint, as arising upon contract or will apply to the court for any other relief demanded in the complaint.

The object of this action is to make the above mentioned defendants set forth the nature of their claim or claims to the real property in the complaint and hereinafter described, if any they have, and that such claim or claims be adjudged to be of no effect and void, and the plaintiff's title to the same be quieted against them.

That said real property is all that certain lot, piece or parcel of land situate, lying and being in the County of Nevada, State of California, described as follows, to wit:

That certain lot situated in South Truckee, on the south side of River Avenue West, described as follows:

Commencing at the north east corner of the lot, from which a 1½ inch pipe at the corner of River Avenue West and Bridge Street bears N. 26°29' E. 175.02 feet and the ¼ section corner on the east side of Section 15, Township 17 North, Range 16 East, Mount Diablo Base and Meridian bears S. 39°12' E. 1693.33 feet. Thence:

1. S. 22°58' E. 143.00 feet to the southeast corner of the lot
2. S. 64°04' W. 140.00 feet to the south west corner, identical with the SE corner of the Moretta Lot
3. N. 22°58' W. 143.00 feet to an iron pipe on River Avenue West
4. N. 64°04' E. 140.00 feet along River Avenue West to the place of beginning, and containing 0.46 of an acre, more or less.

GIVEN under my hand and the seal of the Superior Court of the State of California, in and for the said County of Nevada, this 17th day of June, 1953.

Swanee's Letter

Tahoe City, Sept. 5

Dear Tahoeites:

One of Tahoe's favorite sons came home on Monday night after having enjoyed an extensive tour of European countries. He is Bill Callender, son of the Ben Callenders of Homewood, and Lake Tahoe looked pretty good to him despite all the beautiful countrysides he saw abroad. He and a companion, Bob Watson of Santa Rosa, took only four days to drive here from New York, taking turn about at the wheel. Bill hurried home because of the critical illness of his maternal grandmother, Mrs. P. W. Bussman of Santa Rosa, who broke a hip recently in a fall and is confined to the hospital. Mrs. Bussman is 83 years of age.

Most of Bill's trip was most enjoyable and educational, excepting for two weeks when he was laid up with scarlet fever in Barcelona, Spain. He drove his Ford sedan over 10,000 miles and had nary an accident or trouble with the car. The two men visited almost all the countries, excepting Norway and Portugal, and didn't get a glimpse of harried Berlin because it was under martial law at the time. Their entire trip has been recorded in colored movies and still pictures.

In Franco's Spain they found poverty and a great deal of internal trouble, with soldiers patrolling the streets at night and much of the populace still living in caves and holes in the ground as the result of the last civil war from which they seem not yet to have recovered. Most of the rest of Europe appears prosperous, with West Germany making the greatest tsrides in recovery of former prosperity.

English folks don't eat as well as many of the other countries but Bill says that since coronation time many of the eating restrictions have been lifted. Tourists now visiting the country for a few weeks do not even have to apply for ration books but permanent residents are still rationed on such commodities as meat, eggs and butter.

The travelers were greatly impressed with the greeness of the countries through which they passed, there being no long, dry areas such as exist in the United States. The little towns are laid out in small farms and the ground is tilled with apparently no fallow areas.

Asked which countries he liked best, Bill replied, "Austria and Holland." Holland especially and the reason was a petite maiden named Ditje Van Der Velden of Rotterdam, who Bill met crossing on the boat. She has attended University of Southern California for the past two years and was returning home to her family. The boys were taken into the bosom of the Van Der Velden family, dined and entertained and given the freedom of the house, which was highly appreciated in a strange land. They were most impressed with the people of northern Europe who, in the main, were better educated and more friendly, almost all of them speaking English. In all the countries an active reforesting program is being enforced, with strict regulations prohibiting the cutting down of trees. All dead trees are cut down for fuel at once and there are no fallen monarchs left lying around, as in American forests, to detract from the scenery and create a fire hazard.

Ten pounds lighter but hale and hearty, Bill's present plans call for assisting his parents at their Lake Tahoe lodge this fall and the acceptance of local employment, if available, this winter. Among the treasured souvenirs he brought back from Europe are Delft blue china for his mother from Holland and a ski sweater for her, a 400-day clock from Germany and a pair of hand-made-to-order ski boots from Austria for himself.

Stopped in for a visit with the Art Sathers who are up from their Auburn home for a fall vacation. They plan to remain at their lakeshore home at Homewood until around October 10 this year. Visiting them at present are their son and his family, Mr. and Mrs. Eddie Sather and daughter Diane of Auburn, and Mr. and Mrs. Charles Powell of Maxwell. The Hibbetts of Sacramento rented the house for the month of August.

A local group which recently enjoyed a weekend of camping out at the Tallant Lakes included Mr. and Mrs. Lincoln Dempsey and Ned Stuart of Lake Forest, Dorene and Jerry Quam and Joe Copeland of Truckee. Rain failed to spoil their fun as they waited it out under a heavy tarp around a cozy campfire. Fishing was good, their largest running around 15 inches.

A cradle shower was held for Mrs. Richard Astle of Kings Beach on Friday night of last week at the Home Cafe in Kings Beach. Many lovely pink and blue pretties were opened before the serving of refreshments and a big cake decorated with a tall stork. This was followed by an evening of sociability, enjoyed by all. Among those present weer Mesdames Dorothy O'Brien, Frank Wagner, Dave Hall, Douglas Larsen, Carmel Throop, all of Kings Beach; Mesdames Jack Wilson and James Astle, Tahoe City, and Miss Elaine Zunino of Reno.

Bishop and Mrs. Noel Porter are closing their lakeshore home near Tahoe Tavern and returning to their Sacramento residence after spending the summer at the lake. The Herman Rauhs and family of Sacramento will remain to vacation at the Porter home until Wednesday. Mrs. Rauh is a daughter of the Porters.

Mr. and Mrs. Bert Scott are closing their lakeshore summer home in Tahoe Park and returning to their residence in Piedmont after having enjoyed the season here. Guests last week were Mr. and Mrs. James Eschen of Piedmont. Scott will return for the Gold Cup Races to be held over September 12 and 13.

Also returning home to San Leandro today are Mr. and Mrs. M. A. Lopes of the Timberland tract.

Latest word of the Gold Cup boat races is that reservations are coming in but not in overwhelming numbers as yet. Officials here expect a last minute rush, as usual, and Tahoe resorts and motels are ready for them. One of the highlights of the recent past weeks is the news that Bill Stead of Reno, new owner of the famous Hurricane IV, has installed a powerful new motor in his racer, replaced a 1500 HP one with a 1750 HP Allison 1710 model engine and he has been testing it during the past few days, with satisfaction. Biggest news of the week is the arrival today from Ohio of the Ethyl 20th, world record holder for the 135 cubic-inches class which broke the record at 98 miles per hour. She is equnpped with a "hopped up" V8 motor which makes 7,000 revolutions per minute. The racer was originally owned and operated by Chap Hanley of Ohio but has just been purchased by Richard Davis of Tahoe Pines, who is making first test runs on the lake this afternoon. Davis went to Salt Lake City for the boat and brought it to Tahoe tday. Carroll Raymond, secretary-manager of the Lake Tahoe-Sierra Chamber of Commerce, states that requests are pouring in from news services of all kinds—radio, newspapers, magazines and television — for accommodatians and barges not accessible to the public will be provided for them. Miss Raymond also says there is still parking space in the racing infield for boats available but anyone interested should contact the chamber at once as reservations will be rapidly taken as race time nears.

Expected in soon for a week's vacation at their old stomping grounds around Tahoe City are Mr. and Mrs. Stanley Martin who are now living at Lovelock, Nevada. They plan to occupy a cabin at Kings Beach during their stay.

Ring off for the week with the old, but tried and true, truism—drive carefully this week, the life you save may be your own, or that of a loved one. Adios all, until next week, as ever, Swanee.

A Famous American Ship

America's merchant marine began with ships like this Marblehead schooner, according to the American Merchant Marine Institute. The first ship built in this country was the VIRGINIA, "a faire pinnace" of 30 tons, constructed by Capt. George Popham's colonists at the mouth of the Kennebec, Maine. Other shipyards sprang up all along the coast, for travel by sea was quickest and best. Only 11 years after the MAYFLOWER arrived at Plymouth, a ship twice her size was built by the Puritans in Salem. By 1776 our merchant fleet consisted of over 1,000 vessels. Without them we would have been economically dependent upon the old world. The 1,400 tankers, cargo ships and passenger liners in today's merchant marine are equally important to our independence and general prosperity.

TRUCKEE PUBLIC BOARD MEETINGS

Truckee Public Utility District

Meets 2nd and last Tuesday each month at 2:30 p.m. in the district office.

Truckee Sanitary District

Meets 1st Tuesday at 7:30 p.m. in Joe Mattos residence.

Meets 2nd Friday each month at 7:30 p.m. at the hospital.

Truckee Fire District

Meets 1st Tuesday each month at 10 a.m. in R. N. Little's office.

Truckee Cemetery District

Meets at call of Chairman W. M. Englehart.

NOTICE OF TIME AND PLACE OF TRUSTEE'S SALE OF REAL ESTATE UNDER DEED OF TRUST

NOTICE IS HEREBY GIVEN that on Friday, the 2d day of October, 1953, at the hour of 10:00 o'clock A.M. of said day, at the main entrance door of the County Court House in the City of Auburn, County of Placer, State of California, the undersigned, as substituted trustee, will sell at public auction to the highest and best bidder, for cash in lawful money of the United States of America, payable at the time of sale, all of the following described real property situate, lying and being in the County of Placer, State of California, particularly described as follows, to wit:

PARCEL 1: The North half of Section 4, Township 15 North, Range 16 East, M.D.B.&M., consisting of 309 acres.

PARCEL 2: The Southwest quarter of the Northeast quarter and the Northeast quarter of the Southwest quarter and the Northwest quarter of the Southeast quarter and the Southeast quarter of the Northwest quarter of Section 6, Township 15 North, Range 16 East, M.D.B.&M. consisting of 160 acres.

Said sale will be made to satisfy the obligations secured by and pursuant to the power of sale contained in that certain deed of trust dated the 30th day of June, 1950, recorded the 18th day of July, 1950, in the Office of the County Recorder, County of Placer, State of California, in Book 572, at Page 124, Official Records of said County of Placer, executed by ALTON A. JACK and ELLA E. JACK, husband and wife, as Trustors, to INTER-COUNTY TITLE CO., a Corporation, as Trustee, and to A. J. RUPLEY and FAY M. RUPLEY, husband and wife, as joint tenants, as Beneficiaries, and given to secure the payment of a certain promissory note of even date therewith in the principal sum of FORTY SEVEN THOUSAND FIVE HUNDRED DOLLARS ($47,500.00), payable to the said Beneficiaries, or order, and of all other and additional sums which might thereafter be loaned to the Trustors by said Beneficiaries or by the owner and holder of the promissory note secured by the said deed of trust.

The undersigned was substituted as Trustee in and under said deed of trust in the place and stead of INTER-COUNTY TITLE CO., a corporation, the Trustee therein named, by an instrument executed by FAY M. GUNBY, formerly FAY M. RUPLEY, the surviving beneficiary under said deed of trust, dated August 31, 1953, recorded September 4, 1953, in Book 635, at Page 308, Official Records of said County of Placer, to which said record reference is hereby made.

Notice of breach and election to sell under said deed of trust was recorded in the Office of the County of Placer, State of California, on March 12, 1953, in Book 624, at Page 527, Official Records of said County of Placer, to which said record reference is hereby made.

This notice is given in compliance with a demand heretofore made on the undersigned substituted trustee by the said FAY M. GUNBY, formerly FAY M. RUPLEY, the present owner and holder of said promissory note and trust deed.

Dated this 4th day of September, 1953. GEORGE B. MAUL

TAHOE AMBULANCE ANSWERS CALLS

TAHOE CITY— The Tahoe City Volunteer Firemen's emergency ambulance, driven by Jay Shontz, was called into service twice last week.

Mr. and Mrs. Richard Miller of Pasadena were involved in an accident at the bottom of Dollar Hill when the car, driven by Mrs. Miller, went out of control and was wrecked around 3 p.m. Friday. Mrs. Miller suffered cracked ribs and a cut under the chin and her husband received a broken kneecap and a severe bump on the head. Shontz stopped at the office of Dr. F .W. Gorham here, where first aid was rendered. Dr. Gorham rode to the Tahoe Forest Hospital with the injured.

The second call was to Tahoe Pines where Olga Leonard of Vallejo, visiting relatives there, was taken seriously ill and rushed to the Tahoe Forest Hospital in the ambulance. Dr. Gorham, who gave first aid, also accompanied the patient to the hospital where blood plasma was administered. She is resting easily at this writing. (es)

TRAVEL WITH A BAG

Help keep our roadsides clean by carrying a paper bag in your car. Put refuse and trash in it and when it's full deposit in roadside containers, or take it home to your own trash can.

RURAL PLACER BUILDING INCREASES

AUBURN— Building permits aggregating $337,923.50 were issued in Placer County in August for the unincorporated areas. Robert Watson, building inspector, states this is an increase of $83,000 over August, 1952.

PONY EXPRESS

The western terminal of the Pony Express was at 1015 Second Street in Sacramento.

TWO ARE NAMED TO FOREST GROUP

SAN FRANCISCO— Reginald L. Vaughn, San Francisco attorney, and Harold Ford of Stockton have been elected to the board of directors of American Forest Products Corp. The corporation, formerly American Box Corp., is a large producer and distributor of lumber and lumber products.

The average depth of the Gulf of California is 2667 feet.

6,000,000TH PHONE ON PACIFIC COAST GOES TO BARSTOW

The Pacific coast's six millionth telephone was placed in service with a flourish on September 2 in the Barstow, California, home of a marine veteran of the Korean War, Master Sergeant Lionel P. Williams and his wife, Dorothy, reports Manager Howard J. Newsham of the Truckee office of the Pacific Telephone and Telegraph Company.

Officials of both PT&T and the Interstate Telegraph Company (an affiliate of the California Electric Power Company), one of the more than 200 independent telephone telephone companies that interconnect and cooperate with Pacific Telephone and Bell of Nevada in providing Pacific coast telephone service.

Plaque on 'Phone

Attached to the telephone instrument, which will be the Williams to keep permanently, was a plaque that says simply, "The six millionth telephone to be installed on the Pacific Coast."

The six millionth telephone, the telephone executives gathered at Barstow pointed out, is a symbol of the tremendous growth of the telephone industry in the last eight years to bring service to the west's millions of new residents.

The swift telephone expansion in the busy desert town of Barstow is typical of the Pacific coast's growth that has tested the capacity of the telephone industry to keep pace. On V-J day there were 450 telephones in the Barstow exchange. Today there are almost six times as many — 2400. Up and down the coast the pattern is the same. Today's 6,000,000 telephones are just about double the 1945 coast total.

Truckee Near Double

Here in Truckee, Newsham said, the telephone growth since the end of World War II has been fast, too. Truckee had 334 telephones on V-J Day, against 625 now. Newsham pointed out Pacific Telephone now has spent more than $1,400,000,000 on its postwar expansion program.

Part of the installation ceremonies at the Williams' home was a long distance call from Mrs. Williams to her parents, Mr. and Mrs. Ed J. Perius, in Wales, North Dakoota. Mrs. Williams' father is a wheat farmer and they talked about this year's wheat harvest, now underway.

The Williams were also honor guests at a civic luncheon in Barstow, marking the occasion. Among those present were Albert Gage, president of the Interstate Telegraph Company; Ben S. Gilmer, Pacific Telephone vice president; representatives of the California Public Utilities Commission, the Independent Telephone Associations and nearly 100 federal, state and local officials.

FIRST WOMAN GETS MARINE VALOR MEDAL— Gen. Lemuel Shepherd Jr., U.S. Marines commandant, pins Navy-Marine Corps medal for bravery of Staff Sgt. Barbara Barnwell at Washington, D.C. First woman winner of decoration saved three persons from drowning.

COPPER CAPITAL

During the Civil War, the principal copper producing section of the United States was in the vicinity of Copperopolis, Calaveras County.

IT'S WISE TO ADVERTISE!

PINE PRODUCTION 10 PER CENT UP

SAN FRANCISCO— For the year to date, production of pine lumber is ten per cent ahead of that of 1952, the Western Pine Association reported this week. Orders and shipments each are six per cent greater this year than last.

During the week ended August 22, the association reported, on the basis of figures supplied by 112 mills, production totaled 81,732,000 feet compared to 81,560,000 feet the preceding week. Shipments weer 78,505,000 feet compared to 75,415,000 feet and orders totaled 73,734,000 feet campared to 76,480,000 feet for the previous week.

The report covers ponderosa, sugar and Idaho white pine and associated species.

PONDEROSA

The tallest specimens of ponderosa pine reach a height of 225 feet with a diameter of eight feet.

JAMES APPOINTS COMMITTEES FOR TAXPAYERS ASS'N

KINGS BEACH— Appointment of several committees to initiate activities for the year ahead has just been announced by T. L. James of Kings Beach, president of the Placer County Taxpayers Association Inc.

The committee named to study the department of public health consists of Dr. C. C. Briner, William O. Francis and Hall Livingston, all of Auburn, and William Finger of Roseville.

Those appointed to the committee on public schools are N. R. Mayfield, Tahoe City; A. W. Musso, Bowman; H. G. Hook, Roseville; William D. Bethell and Rico Quindade, Newcastle; and Hall Livingston, Auburn.

Members of the water conservation committee are R. F. Moore, John Perry and L. Franceschi, all of Lincoln.

Named to the committee on planning and building are Farrell F. Wrenn of Auburn and A. W. Musso, Bowman.

"Those named to committees will be supplemented by others from our membership as soon as the executive committee convenes this month," said James. "Our organization represents an excellent cross-section of Placer County industries, business and agriculture as well as individual home owners, all interested in the question of taxes and an efficient, economical county government."

JUST-WEDS FETED IN TAHOE PARTY

TAHOE CITY— Mr. and Mrs. Davis Fritsche of Tahoe City last Saturday evening hosted a party for her uncle and aunt, Mr. and Mrs. John Devincini of San Mateo, who were married in Reno last Friday evening.

Guests who gathered for the enjoyable barbecue included Messrs. and Mesdames Pete Huega, Lake Forest; James Baker and Howard Martin, Tahoe City; Mrs. Grace Schick, Tahoe City; John Parham, John Buckman, John Mortizia and Laurie Barnum, all of Squaw Valley. The newlyweds will establish their home in San Mateo. (es)

TAHOE WEATHER

TAHOE CITY— The first week of September at Tahoe City was generally fair, with slightly higher temperatures than the week before, according to the observations of A. E. Frodenberg, cooperative observer.

Daily high and low temperatures for the period were Aug. 31st: 59, 37; Sept. 1st: 65, 38; 2nd: 67, 41; 3rd: 72, 42; 4th: 69, 40; 5th: 75, 45; 6th: 67, 46; 7th: low 40.

The lake level Monday morning at 8 o'clock was 6228.48 with three gates open, Frodenberg reported.

TRUCKEE CHURCH CONFERENCE HELD HERE ON SUNDAY

Local people attending the Truckee Community Methodist Church in its first quarterly conference on Sunday evening were Mrs. Eugene Risden, Mr. and Mrs. C. A. Tollefson, Mr. and Mrs. Daven Morey, Mrs. H. G. Beck, Mrs. Oscar Schumacher, Rev. and Mrs. Sidney Winston, Mrs. Muriel Frey and Mrs. G. D. Kamp.

Dr. Dillon W. Throckmorton, district superintendent, conducted the conference after serving the elements of communion in an earlier devotional service. The additional sum of $482 was reported by Tollefson to apply on the church repair fund, bringing the total since June 15 to $1881.

New members of the church received during this period include Mrs. Roy Elf, Rev. and Mrs. Sidney Winston, Linda Elf, Susan Winston, Mrs. Ruth Gordon, Mrs. William Frey and Jack Coffey.

On June 21, Leonard James Counts, aged five months, was baptized and placed on the preparatory class roll, which may continue for sixteen years. Charles Moreland, 36, was baptized September 4 while en route to Placerville.

ROUGH AND READY

Rough and Ready in Nevada County was settled in 1849 by gold seekers from Wisconsin.

Rocking Stone at Truckee Gift of Wind God, According to Ancient Washoe Legend

NEVADA CITY— Considerable western Nevada County interest has been indicated in the efforts of the Truckee Chamber of Commerce and other eastern county groups to restore the historic Rocking Stone tower adjoining the Veterans Memorial Building and on county land at Truckee.

Representations have been made to the Nevada County board of supervisors for funds to restore the tower with the figure of $2,000 mentioned as needed. Board chairman Henry Loehr has favored the restoration and has invited other board members to inspect the Rocking Stone and tower so they will know what the situation entails.

Housed Relics

The original structure was erected years ago by the late C. F. McGlashan, early days California historian and originally housed relics of the Donner Party and a collection of mounted butterflies. It is said that the Donner Party relics were boxed and stored in the basement of the Nevada County court house along with a collection of Indian relics from the eastern end of the county.

The Indian relics have been recovered, cleaned and washed by members of the Nevada County Historical Society and are an important part of the museum in Nevada City. The butterfly collection hangs in the corridors of the court house on the first floor.

But the Rocking Stone, one of the few in the world, and the tower about it, still need attention. Naturally, the Rocking Stone is the subject of an Indian Legend and Nonette V. McGlashan Hennessy, who early took down the story of the legend, has preserved it for posterity as "A Washoe Indian Legend of the Rocking Stone of Truckee." Incidentally, there are no Washoe Indians today in the Truckee vicinity. The legend follows:

Story of Legend

At Truckee, there stands a tower that is unique for it is built upon a large flat-topped granite boulder, 22 feet in diameter and of about the same height. Within the tower is a smaller stone exactly in the center of the flat top of the large one. It is about six feet in diameter and in height, and weighing approximately 16 tons. Surprisingly, however, this stone can be easily rocked back and forth like a cradle by a slight pressure of the hand.

The granite of these two stones is not the same, both have a similarity of shape, being larger at the top than at the base. This is contrary to nature and has caused discussions among scientists as to the reason for this.

There are about 24 known Rocking Stones in the world.

THIS SOULFUL INDIAN LASS is Leona Sam of Stillwater Indian reservation near Fallon. She has been nominated by her council as a candidate for Indian Queen of Nevada. Judging for the queen will be September 20 in Carson City; twenty girls have been nominated so far.

The older Indians would not touch the Rocking Stone, for they knew it belonged to the Wind God. He can always be heard howling and shrieking in anger around the tower during the storms, which he causes hoping they will help him to regain his Rocking Stone.

The following is their legend:

Washoes at Truckee

In the long ago before the white man came, the Washoes dwelt in the place they now call Truckee. They made their wigwams upon a hill at the top of which stood a huge granite boulder.

This rock was like no other they had ever seen for it was small at the base where other stones were broad, and the top was not rounded in the natural manner, but was flat as a teepee floor. This great rock stood as high as four tall braves, one above another, and it was as wide across its circular top as it was high.

Seeing that no animal could climb the high overhanging sides, they placed their food upon the stone using it as a place to dry their meats for winter. But their contentment was soon gone, for while the strong men were away in the forests hunting and fishing, and only the weak, old men were left at home with the women and children, great flocks of birds swooped down upon the rock and carried away all the food. This happened again and again while the Indians strove in vain to frighten the birds away.

Faced Starvation

The shadow of fear at last crept into their hearts for they had no food stored away to keep them alive when winter sat upon the earth. Then the chief built a signal fire upon the rock which could be seen by all his people wherever they might have roamed, calling them to come home to a great powwow. At this feast they prayed to their gods to help them to protect their food from the birds.

The Wind God, who was wandering near heard their prayers, and taking pity on them, decided to help them. He called up a great thunder storm whose blackness covered the sun for days. The awed Washoes sat in silence until the storm was over. Then in the growing light, they gave a great cry as they saw what the Wind God had done for them.

At the exact center of the granite top of the large boulder sat a smaller stone as like the great rock as a youth is like his father.

The voice of the god bade tse Indians to again place their food upon the boulder to dry. When they had done so the tribe stood and watched with expectant eyes, the children peeping from behind their mothers' skirts, to see what would happen when the birds came to carry off the food. Nor had the young long to wait, for again came the whirling sound of wings as the birds swept like a cloud over the rock, But try as they would never a morsel of food could they reach because the Wind God breathed upon the smaller stone setting it to rocking like the tip of a pine tree and the birds were frightened away.

As long as the Washoes lived at this place they had an abundance of dried fish and meat for winter.

The Wind God loved this small stone and always the Indians could here his great gusts of gleeful laughter as he started it to rocking whenever a bird came near.

How to make your car and truck ride and drive easier

Your car and truck will roll over the bumps more smoothly; chassis bearings will last far longer if you lubricate with RPM Chassis Grease T-B. Do the job at least every 1000 miles and you'll always have a tough lubricating film on bearing surfaces that will not rupture under road shocks.

RPM Chassis Grease T-B contains special additives that help it stick on surfaces under the hardest shocks, resist moisture and reduce wear. Ask us about RPM Chassis Grease T-B in the special EZ Fill pail that makes it easier to load grease guns.

Everything good in beer depends on good water

The quality of a beer depends not only on *how* it is brewed, but on *where* it is produced, for the water used in brewing plays a vital part in extracting the most delicate flavors from premium hops and grains. Olympia Beer comes to you from the Evergreen state of Washington . . . from a locality where deep glacial artesian wells provide a plentiful supply of crystal pure water that is perfect for brewing. Used in its natural state, without the necessity of treatment or purification, this rare water is primarily responsible for the never-changing quality and delicious flavor of Olympia Beer.

Visitors always welcome between 9:30 and 4:30 every day.
Olympia Brewing Company
Olympia, Washington, U. S. A.

TAHOE TOPICS

by ETHEL J. VERNON

The weather heer became slightly unsettled again over the weekend but up to Sunday night nothing more had come of it than a couple of cloudy days and an early autumn haze and a chill in the air. The Labor Day weekend buzzed with business throughout the region and highways were crowded with two-way traffic day and night. Many tourists, dropping in at business places Friday and Saturday, complained that they could not find a place to spend the night, all hotels and courts being booked full far ahead.

Mr. and Mrs. R. Miller of Pasadena are now recovering in the Tahoe Forest Hospital from injuries received in an auto accident on Dollar Hill Friday evening. Miller has a broken knee cap and Mrs. Miller a broken rib as a result of the crash. Mrs. Miller reportedly dozed while driving, her car left the road and struck a large rock, throwing its occupants forcefully against solid parts of the interior. The front of the car was badly damaged and the car was hauled to a Tahoe City garage where it awaits repair.

Mrs. James Phares of Lake Forest was examined on Saturday by Dr. F. W. Gorham of Tahoe City and found to be suffering from internal hermorrhage. She was ordered rushed to the Tahoe Forest Hospital, where the same evening an operation was performed. At last report she was "doing as well as could be expected." Mr. and Mrs. Phares had rented the Richard Yeakel home in Lake Forest earlier this season for the summer.

Miss Ida Pomin of Tahoe City was taken to a Reno hospital last Tuesday by her brother, E. H. Pomin of Tahoe Park. On arrival, it was found a minor operation was necessary and she underwent surgery. She is reported doing well and is expected to be able to return home soon.

A "pink-and-white" shower was scheduled to be held at the home of Mrs. Gladys Anderson of Pineland Wednesday evening. The honoree is Mrs. Gus Gehlert of Tahoe City and special invitations were sent to her many friends throughout the region.

Harold Brixey, Tahoe's young golf champion, will compete in the Northern California-Reno Pro-Amateur golf tournament to be held in Reno September 17 to 20. In his latest invitational competition in Reno over a week ago, Harold made a remarkable showing when he shot five over, scoring 77. He returned to his home town meet the same weekend to scre a first of 76-14-62 in the net finals.

Mr. and Mrs. William Wallace Mein Sr. arrived back from a summer's tour of Europe recently and are now spending a late vacation period in their lakeshore summer home at Tahoe Park. Visiting them this week from their Woodside home are their son, George, and his wife and adopted baby son.

At the summer lodge "Fernmoore," on the lakeshore near Tahoe Tavern, Mr. and Mrs. Bob Angel Jr. this week are entertaining a house full of bay region friends on a house party. His parents, the A. C. Angels Sr., left this week for their Piedmont home for the winter.

Mr. and Mrs. Lou Ehert of Sacramento, with their young son and infant daughter, Gail Anne, are in their Carnelian Bay cottage for an early fall vacation.

Mr. and Mrs. Ed Wallis of Piedmont, with their daughter Joanne and baby son, Ed Jr., are spending a vacation this month at Mrs. Wallis' girlhood home, the M. C. Milton place on Sunnyside Beach. Mrs. Milton is also enjoying a few days there with her daughter and family. She only recently returned from a summer in Europe where she and her granddaughter, Joanne enjoyed an extensive tour together.

Mr. and Mrs. Richard Lee of Lincoln made a special trip to Tahoe to attend the christening of their young granddaughter, youngest child of Mr. and Mrs. Jack Starratt of Tahoe City. The baby was christened by Bishop Noel Porter at the Outdoor Episcopal Chapel at 4 p.m. Sunday as Sarah Lee Starratt. The christening was further celebrated later with a family party at the Starratt home. The Starratts got away a few days later on their planned vacation trip through the valley and coast areas, with Carmel as their ultimate destination.

Private First Class Bruce Dohrman, former Tahoe summer resident, is another young GI who is feeling a little lonely away from Tahoe and among strangers. He'd be pleased to hear from Tahoe friends, one and all, and here is his address: Pfc. Bruce Dohrman, US 56136472, Hq. Co. 9606, TSU, San Luis Obispo Camp, Calif.

Mr. and Mrs. Warren Sanford are entertaining several bay region friends this week in their summer home at Tahoe Park, among them Judge Charles Wade Smith of San Francisco. Their daughter, the former Mary Louise Sanford, with her family, is now occupying the Sanford family home at Sunnyside Beach, and entertained a party of friends there over the weekend.

Lt. Lyman William Griswold of the USNAF headquarters Washington, D.C., arrived here last Thursday and spent a considerable part of his brief leave with his wife, Pat, and daughter, Mary Tabor. Pat and daughter are spending the summer at the Taheo City home of her parents, Mr. and Mrs. A. M. Henry.

MITCHELL BOY PARTY HONOREE

TAHOE CITY— Mrs. Jeannette Mitchell hosted a birthday party on Tuesday, September 1, for their small son, Dale, who turned five. Around 4 p.m. the small guests gathered for games prior to the serving of refreshments and a beautifully lighted birthday cake. The top was inscribed with "Happy Birthday to Dale, Now Five."

Guests included Chris and Nancy Beavers, Phyllis Olander, Linda, Janie and Steve Sharrow, Mrs. Solveig Beavers, Mrs. Jean Sharrow, Miss Annette Rodriquez of San Francisco, Mr. and Mrs. George W. Welch of Alhambro and Mrs. Howard Chappell of Walnut Creek. The small honoree received many lovely birthday gifts. (es)

Back to Piedmont—

The E. L. Olivers have returned to Piedmont, following several weeks at Tahoe City.

Winter at Concord—

Jennie Sholand, who has vacationed at Tahoe City, will spend the winter at Concord.

PROCEEDINGS OF THE BOARD OF SUPERVISORS FOR THE MONTH OF SEPTEMBER, 1953

September 1, 1953

The meeting convened at 10:00 o'clock A.M. with all members present. The minutes of the meeting of August 20, 1953 were adopted as read by the Clerk.

The Board ordered a summary of the proceedings for the month of September be printed in the SIERRA SUN.

The Board postponed a decision to participate in the printing of 100,000 Golden Chain Council maps.

The sum of $28,500.00 was ordered transferred as a loan from the Salary Fund to the General Fund.

The Clerk presented a statement of policy as directed which was unanimously approved. Copies were ordered mimeographed for distribution to all department heads.

The Board adopted a resolution designating R. E. Deeble as County Auditor as representative of the Board to sign and present an application to the Department of Veterans Affairs for State moneys in connection with the Veterans Service Officer.

William Novak is appointed as a guard at the Nevada County Exhibit for the duration of the State Fair.

The sum of $10,000.00 is ordered transferred as a loan from the General Road Fund to the General Fund, and the sum of $12,000.00 as a loan from the Special Road Improvement Fund to the General Fund.

The sum of $7000.00 is ordered transferred from the General Road Fund to the Special Road Improvement Fund.

After carefully inspecting the bills presented from the Auditor's Office, the following were paid from the:

General Fund, Warrants Nos. 2794 to 4239, $116,061.90;

General Road Fund, Warrants Nos. 15 to 22, $3,070.72;

Special Road Improvement Fund, Warrants Nos. 121 to 265, $41,606.33;

Veterans Building Fund, Warrants Nos. 27 to 42, $9,711.64.

The Board appointed Mr. B. H. Sidnam as a member of the Nevada County Planning Commission.

Postponed a decision on financial assistance for the Highway 20 Association.

The Board authorized the Tax Collector to advertise for sale at public auction the minimum bid being not less than $830.00, tax deeded property described as Lot 6 Block 6 in Nevada City, with improvements. (Lyman Gilmore Property)

The Board listened to a committee from Truckee urging preservation of the McGlashan Tower at Truckee. The Board promised to make an investigation of this property which belongs to the County.

The Board authorized the Chairman to execute an agreement for one year between the County and the Tahoe National Forest on the use of Road Department equipment and employees.

The report of the Welfare Director for August was rendered, approved, and ordered filed.

The Road Commissioner was authorized to rent to the State Highway Division one wagon drill and compressor. Also authorized to rent to Mehren Construction Company one TD-4 and operator.

The Board authorized Mrs. V. Mitchell to be appointed a Public Assistance Worker, Grade 2 and the appointment of Mrs. Getta O. Roscoe as an Accountant, Grade 2 in the Welfare Department.

The Board directed the Building Custodian to change the locks on the Welfare Department doors.

The Board directed readvertisement of one Tax Anticipation note for $175,000.00 and set Wednesday, September 16 as the date for opening bids.

Adjourned until Wednesday, September 16, 1953, at 10:00 o'clock A.M.

ROADMASTER
CUSTOM BUILT BY BUICK

To you who have yet to drive a 1953 Buick ROADMASTER, we have this to say:

There is waiting for you at the wheel of this car a tremendously satisfying experience—the most magnificent Buick motoring experience of the past half century.

We say this as a matter of straight and simple fact.

For in this automobile—the smoothest-riding, the most maneuverable, and the most instantly responsive ROADMASTER in history—is an engine unlike any other in the world, plus an automatic transmission of similar uniqueness.

Here, you command the first Fireball V8 Engine—the world's first V8 with *vertical* valves—the modern and advanced V8 with the highest horsepower ever placed in a Buick, and the highest compression on the American scene today.

Here, you command distance through the liquid grace of Twin-Turbine Dynaflow—where getaway response is instant and quiet, and power build-up is infinitely, utterly smooth.

Here too, you take a new step forward in fine-car motoring—in the luxury of your ride, the luxury of your surroundings, the luxury of your control, *with Power Steering standard equipment at no extra cost.*

We can give you the details, the reasons, the facts.

But—wouldn't you rather learn the sum total of such things in a road sampling of the greatest ROADMASTER yet built?

We'll be happy to arrange matters. Why not visit us soon?

**Available at additional cost on Roadmaster and Super models only. **Optional at extra cost in Super and Roadmaster Sedan and Riviera models.*

DeWITT NELSON NAMED DIRECTOR FOR RESOURCES

by HENRY C. MacARTHUR

SACRAMENTO —(C.N.S.)— The appointment of DeWitt "Swede" Nelson, state forester, to the position of state director of natural resources, is noe which conservationists throughout the state are going to look upon with favor.

Of course, how long Nelson will remain in the job remain another question, in view of the governor's announcement that he will not run again and the possibility of his quitting before his term is out to accept a federal position.

It can be said, however, that the retirement of Brigardier General Warren T. Hannum, who has served as director since 1944, was "in the bag" before Warren's announcement came out. It was, in fact, reported by Capitol News Service the day before it happened.

Not Political

The Hannum retirement, therefore, was not the result of Warren's decision to quit the governorship, but rather the result of action not taken by the 1953 legislature.

The situation shows how involved things can get in state government. During the war, a law was passed which inactivated the law requiring compulsory retirement from the state retirement system at age 70. This was on the theory that the young men were off to war or on defense duty, and that the oldsters could serve the state government as well during the emergency.

The law was extended every two years, up to 1953, when the legislature decided it was time to put the 70 year retirement age back into effect.

This decision hit General Hannum, who is now 72 years of age. The general, under the complicated requirements of the law, could retire and then be reappointed without being a member of the retirement system, but in this case such action is not contemplated. This was followed in the case of Paul Sharrenberg, state director of industrial relations, who also is over 70 but is still serving.

The peculiar thing about the law is that it requires retirement from the retirement system at age 70 but not from state service in the case of non-civil service employees which both Hannum and Sharrenberg are as directors.

Once Tahoe Forest Boss

Nelson has long been a popular figure in conservation circles and has done much to promote forest conservation since his appointment to his job back in 1945. He is 52 years of age, a forestry graduate from Iowa State College and has been a resident of California ever since 1925.

During his forest career, he served as supervisor for four different national forests in California—Trinity, Shasta and Tahoe.

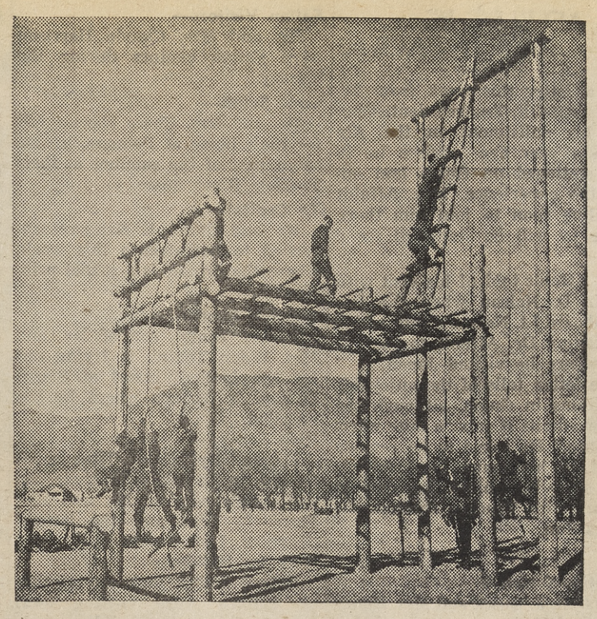
In 1935, he was assigned to the Civilian Conservation Corps as liaison officer between all technical services and the army for the 9th Corps Area, which included all the western states.

He was president of the Association of State Foresters in 1951 and was a member of the Council of the Society of American Foresters from 1948 to 1952.

The new director is married and has one son, Ted, who is a senior in forestry at the University of California, who was recently commissioned a second lieutenant in the army reserve.

FISHERMAN'S WHARF

Fisherman's Wharf in San Francisco, famed tourist attraction, is the home port of a large fishing fleet.



TOUGH ONE—That's what soldiers in basic training at Camp Carson, Colo., call this log and rope obstacle on the confidence course. It is, too.

My Place in the Sun

by DOUG BARRETT

A tip to the men who may read this.....if you think you will want that old coat for another wearing, hide it.....or you may wind up buying it back.....for the women of the Community Methodist Church are beginning collections for their rummage sale.....in the church basement September 24-25.....of course, if you have anything salable they can use, they'll be happy to pick it up.....just contact Irene Englehart at 221 or Ruth Morey at 144.....Lucille Davis seeing her daughter, Frances, off this week .....when the latter left to begin training to become a nurse.....in a major bay area hospital.....Mel Thornton and his boys in a destructive mood.....tearing down the former Thornton's Garage on Main St. West above Brickletown.....Mel says he plans to erect another building there, using concrete block construction.....Fred Pedley smiling as he winds up a career as a cold weather test expert for the government.....and launches a new career in the potato chip field about the mountain.....M. K. Fuday, Al Lloyd, Red Alexander and Bill Fordham, all stalwarts of the state highway crew here.....taking advantage of the holiday yesterday (Admission Day) and getting an early start on their fishing.....I wondered what was up last night at Osburn's Associated station..... found out it was the pavement over the storage tanks.....which Charlie O. is testing for possible leaks..... also noted a sign of the season there with annual distribution of Associated's fine and comprehensive fall football schedule.....yours for the asking at Charlie's station .....Bob Gifford, up from Lindsay .....admiring Clarence (Buick) Osburn's admirable mess of trout last evening.....vowing he'll hit the streams some time today.....Sarge Reynolds got the good word..... that'll he probably be able to keep the thumb he nearly lopped off with a cleaver recently.....

The ice cream freezer was patented May 30, 1848.

Minute Ministry

by Rev. Sidney C. Winston
(Pastor, Community Methodist Church at Truckee)

"If I live, and the Lord is willing," a quaint old expression but usually used by responsible people and found in the Holy Bible in the fourth chapter of James' Epistle. How said it is today to find so many failures to keep the vows we make! In marriage we find so many mental reservations; in business so many forgototen encumbrances; in the church so many secondary excuses! If we would only quit promising to do the things God doesn't want us to do, and begin to determine to do what we know we ought to do, what wonderful changes would be wrought in our personal lives and then in the community in which we live! Jesus said, "My meat is to do the will of him that sent me and to finish his work;" also, "This is the work of God, that ye believe on him whom he hath sent." Once a friend of mine said, "I'll see you in heaven." Does anyone need to add to that, "If the Lord is willing"?

PROTECT AND BEAUTIFY YOUR HOME WITH PERMA-DRI* THE ORIGINAL PERLITE TEXTURAL COATING

Perfect Coating for HOMES OFFICE BUILDINGS INDUSTRIAL PLANTS CIVIC BUILDINGS HOSPITALS

8 NON-FADING COLORS

BEAUTIFUL Choice of harmonious, lasting colors in pastel shades or white. Variety of texture and color effects to satisfy your individual requirements.

PROTECTION Thick, protective coating is weatherproof, completely sealing all cracks and defects. Stops condensation of surface moisture.

INSULATION Applied over the entire area of a building, PERMA-DRI deflects sun's heat rays in summer, holds in heat in winter.

FIRE SAFETY PERMA-DRI is a non-combustible material—it can withstand the concentrated heat of a blowtorch.

APPROVED The U. S. Armed Forces and the largest industrial corporations have approved and used PERMA-DRI. Used by public and private buildings all over the world.

Applied by Factory-trained Experts Using Approved "RMS" Equipment

NATIONAL FOREST CHRISTMAS TREES FOR SALE

Oral auction bids will be received by the Forest Supervisor or his authorized representative, U. S. Forest Service, at Nevada City, California, beginning at 2:00 p.m., September 25, 1953, for 15,000 red and white fir Christmas trees estimated to be 90% "broomstick" quality and estimated to average from 4 to 5 feet in useable length, located on an area of about 1900 acres within Sections 7, 8, 17. 18, T.18N., R.16E., M.D.M., Tahoe National Forest, California. Each bidder, as a qualification to participate in the oral bidding, must submit a sealed bid, accompanied by the required deposit, to the above address prior to 2:00 p.m. September 25, 1953. Sealed bids will be considered the equivalent of an oral bid and will be posted at the beginning of the auction for the information of all bidders. At the close of the auction, the highest bidder will be required to confirm his bid by signing a bid form made out in accordance with his highest bid.

No bid will be considered which is less than $.29 per merchantable tree. In addition, the purchaser will be required to make deposits for reforestation and other silvicultural work on this sale area at the rate of $.07 per tree for the total cut of trees merchantable under the terms of the Administrative Use Agreement.

Trees cut and paid for at the bid rates shall not exceed 15,000 by more than 5%. Any excess, or any trees cut in violation of the cutting rules in the agreement, shall be paid for at the rate of $3.00 per tree as liquidated damage. $2,000-.00 must accompany each bid to be applied to the purchase price, refunded, or retained in part as liquidated damages according to the conditions of sale. A surety or cash bond in the amount of $2000.00 plus payment in full for 15,000 trees at the bid rate will be required before cutting begins. All trees must be cut and removed by November 15, 1953. The right to reject any and all bids reserved.

The purpose of making this sale is to improve the growing conditions of young stands. The agreement will require the cutting of unmerchantable trees as necessary to release young pine trees and crop trees of other species. Before bids are submitted, full information concerning the trees to be cut, conditions of sale, and submission of bids should be obtained from the Forest Supervisor, Nevada City, California, or the District Ranger, Truckee, California.

September 10, 1953.

DR. AFFELDT IS NOW IN PACIFIC

In a letter this week from Lt. Robert Affeldt, Truckee dentist before his enlistment in the Air Force a year ago, advises he is now stationed on Guam and enjoys the experience. Mrs. Affeldt is sailing soon to join him there where he will be stationed for a year.

Dr. Affeldt told of his visit with Dr. L. D. Nelson when the two met aboard Lt. Nelson's ship which was taking Dr. Affeldt to the orient, where he visited Japan.

The letter tells of the enjoyable conditions in Guam, although the doctor admits it gets "a mite warm at times." He asked to be remembered to his many local friends and says he enjoys keeping in contact with Truckee through the Sierra Sun.

Vacation Guests—
Mrs. M. J. Quick and Mrs. Henry Armel of Covina are guests of Mrs. C. Clepper here.

Fallon Visitors—
Mr. and Mrs. Claude Harrison were Fallon visitors during the holiday.

Gone South—
Mr. and Mrs. Chase Harper left for their home at Pomona, having spent part of the summer at their Truckee River home.

To Capital—
Mr. and Mrs. J. E. Kaler returnturned to Sacramento this week, where the former is a school principal.

Out for Football—
Robert Tonini, son of Mr. and Mrs. Elden Tonini, is trying out for the football squad at Sierra College in Auburn where he has enrolled.

Visit Family—
Mr. and Mrs. Frank Titus spent Sunday in Portola with their son and daughter-in-law, Mr. and Mrs. Frank L. Titus and the latters' daughter, Lisa Brooke.

Here for Holiday—
Robert Caine and his mother of Auburn were visiting local friends during the holiday weekend.

CATHOLIC MOTHER PRAISES HOSPITAL

An appreciative expression of gratitude for the care given four critically injured Catholic nuns following a recent fatal automobile accident near here was contained in a letter received this week by the Tahoe Forest Hospital from Mother M. Perpetua of the Holy Family Motherhouse at San Francisco.

The letter addressed to the staff of the hospital follows:

"Dear Friends,

"From a grateful heart my sincere gratitude to the Administrator and each member of his staff, who so munificently bestowed on our injured Sisters such unselfish and indefatigable services.

"Truly your profession is a noble one, and you fulfilled its obligations in a manner which can never be forgotten.

"The courtesy and care lavished on our Sisters in the Tahoe Forest Hospital could not be surpassed in any hospital. Our injured Sisters speak so often of your kindness to them.

"May God bless each one of you and reward you a hundredfold for your devoted care to them.

"Gratefully in the Holy Family,
"Mother M. Perpetua."

DEL RABY QUITS AREA SCOUT POST

Delbert A. "Del" Raby, field executive of the Tahoe Area Council, Boy Scouts of America, submitted his resignation effective September 15, to accept a similar position as district executive in the Silverado Council with headquarters in Vallejo, according to Dr. Harry N. March, president of the Tahoe Area Council. Raby has served in the local council for the past three years, making his residence in Grass Valley. He served Placer, Sierra and Nevada Counties, including the Tahoe-Truckee district. He was active in camp leadership and in the seven-day hike program, sponsored by the council..

In South—
Mrs. Harry Smith was a visitor at Las Vegas this week.

Visitors Here—
Mr. and Mrs. Kyle Edmunds and family of San Francisco left for their home yesterday after visiting at the home of Mr. and Mrs. C. Edmunds at Gateway Park for several days.

Falls at Play—
Daven Morey Jr. had eight stitches taken in his thumb on Friday, as the result of falling while at play.

Date Celebrated—
Mrs. Hannah Stewart celebrated her birthdate on September 6 at a family party.

Gracik Guests—
Mr. and Mrs. Walter Mees and children of Los Angeles guests of Mr. and Mrs. John Gracik.

Card Club Met—
Mrs. John Street was hostess on Tuesday evening to members of her card club. The games were followed by the serving of refreshments to the group of young matrons.

To Shrine Hospital—
Rev. and Mrs. Sidney Winston are in San Francisco today, where they have taken their daughter, Susie, to the Shriners' Hospital for treatment.

Marriage Licenses—
Reno marriage licenses were issued during the weekend to John M. Eder, Truckee, and V. Anne Helms, Boulder City, Nev.; also to Leo T. Boesen, Sparks, Nev., and Phyllis Walker, Tahoe Vista.

Local Visitors—
Mrs. Wilbur Nevins and daughter, Barbara, and granddaughter; Mrs. Ethel Schattenburger and granddaughter, all of Santa Rosa, were guests this week of Mrs. Lucille Davis.

Buells Trek—
Mr. and Mrs. T. T. Buell of Grass Valley have written the Sierra Sun that they are on an extended trip through Yellowstone Park and northwestern places of interest. The couple added that, having lived in this vicinity for several years, made the scenery of their trek less beautiful by comparison.

WHERE POWER COUNTS
SHOOT REMINGTON BIG GAME CARTRIDGES

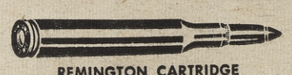
For hard-to-stop game such as grizzly bear and moose experienced big game hunters prefer the heavy, hard hitting types of Remington cartridges with "Core-Lokt" bullets that assure maximum shocking and stopping power.

The "Core-Lokt" bullet is made with jacket and core locked together. This keeps the bullet in one piece, no matter what it hits! Because of this special design, the "Core-Lokt" bullet penetrates, then mushrooms. Mushrooming is uniform, often reaches double normal caliber.

REMINGTON CARTRIDGE WITH POINTED SOFT POINT "CORE-LOKT"

REMINGTON CARTRIDGE WITH SOFT POINT "CORE-LOKT"

REMINGTON CARTRIDGE WITH MUSHROOM "CORE-LOKT"



REMINGTON CARTRIDGE WITH BRONZE POINT
For long range and maximum penetration shoot these sharp pointed, expanding bullets.

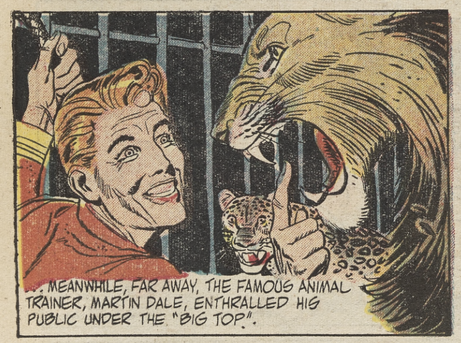
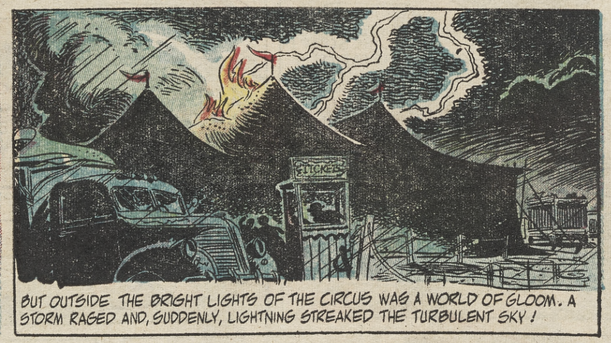
Tarzan®

by EDGAR RICE BURROUGHS

THE MONGOL YOKE WAS BROKEN, AND NOW THE KHAN'S FORMER WARRIORS HAILED TARZAN AS THEIR LIBERATOR. "GO BACK TO YOUR HOMES," HE SHOUTED. "RETURN AND LIVE IN PEACE!"



MEANWHILE, FAR AWAY, THE FAMOUS ANIMAL TRAINER, MARTIN DALE, ENTHRALLED HIS PUBLIC UNDER THE "BIG TOP".



BUT OUTSIDE THE BRIGHT LIGHTS OF THE CIRCUS WAS A WORLD OF GLOOM. A STORM RAGED AND, SUDDENLY, LIGHTNING STREAKED THE TURBULENT SKY!

SOON THERE WAS NOTHING BUT RUBBLE, AND MANY, INCLUDING MARTIN DALE, WERE UNACCOUNTED FOR...

...MUCH LATER, AT A STEAMSHIP OFFICE, A MYSTERIOUS TRAVELLER BOUGHT A TICKET ON A DISTANT-BOUND BOAT.
Distr. by United Feature Syndicate, Inc.

NOW, UPON REACHING FOR HIS PURCHASE, THE MAN WAS FORCED TO EXPOSE HIS FACE. THE AGENT SAW AND SHRANK BACK IN TERROR!
